

Dear Competitor

Many Thanks for entering the 2010 6 Moor Miles race on line.

You may be aware that we have recently managed to secure a timed chip system for this year's 6 Moor Miles Race!

The race starts at 10.30am, so please arrive early to collect your race number and chip, they will be arranged into alphabetical order, so please go to your surname letter.

The Car Park and start are situated directly behind the Leg O' Mutton Inn, Yelverton. For those of you with Sat Nav's the post code is PL20 6AA. There will be signs and marshalls to direct in the right direction.

Baggage and Toilets will be available at the start/finish. Water stations will be situated around the course.

There will also be BBQ food and hot drinks available to purchase throughout and after the race for spectators and competitors.

Good Luck to all who are taking part, we all hope you enjoy the run, and don't forget to wait around at the end for the prize giving!

Many Thanks

6 Moor Miles Race Committee
